

## **PRESERVING THE WILDWOODS** *a Community Alliance*

**MISSION:** To advocate for the preservation and recognition of the historical, cultural, and community heritage of the Wildwoods.

**VISION:** To be the primary voice for the preservation of the architectural, historical, and cultural legacy of the four Wildwoods through advocacy and education.

Our Wildwood Island is a complex patchwork of cultural heritages from the Lenni-Lenape Indians, investors development in 1883, Hereford Inlet Lighthouse, beginnings of Rock & Roll, Chubby Checker, Doo Wop Motels and an abundance of century old homes featuring Victorian, Craftsman, Queen Anne, Arts and Craft Bungalow and Italianate architecture. The history of a community contributes to its personality.

We aim to strengthen the fabric that keeps us together, as people past, present and future.
